# STATEMENT OF FINANCIAL RESULTS FOR THE QUARTER AND YEAR ENDED ON 31ST MARCH, 2020

NOTES:

I. These financial results have been prepared in accordance with the Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder ('Ind AS') and the other accounting principles generally accepted in India, to the extent applicable

2. The Company has no reportable segment other than hotels as per Indian Accounting Standard.

3. Earnings Per Share are not annualised except for the year ended 31st March, 2020 and 31st March, 2019.

4. The Company has adopted Ind AS 116 'Leases' effective 1st April, 2019 and applied the standard to lease contracts existing on that date by using modified retrospective approach with the cumulative impact recognised on the date of initial application. Accordingly, previous period information has not been restated. On transition, the adoption of the new standard resulted in recognition of right-of-use assets of Rs.943.29 lakhs from leases that were earlier classified as operating lease and right-of-use assets of Rs. 289.01 lakhs from leases that were earlier classified as finance lease thereby aggregating to total right-of-use assets of Rs. 1,232.30 lakhs. Further, lease liabilities of Rs. 150.72 lakhs were recognised in respect of leases that were earlier classified as operating lease and lease liability of Rs. 145.52 lakhs was in respect of leases that were earlier classified as finance lease thereby aggregating to total right ot total lease liabilities of Rs. 296.24 lakhs. The cumulative effect of applying the standard resulted in Rs. 37.97 lakhs (net of tax) being credited to retained earnings as on date of transition. The nature of expenses in respect of operating leases has changed from lease rent to depreciation on right-of-use asset and finance cost for interest accrued on lease liability. Finance Costs and Depreciation for the year ended 31st March , 2020, are higher by Rs. 12.70 lakhs and Rs. 39.29 lakhs respectively and Other Expenses are lower by Rs. 42.12 lakhs as a result of which, Profit before tax is lower by Rs. 9.89 lakhs.

- 5. Considering that the Company's Turnover was lower than Rs. 400.00 crores in the financial year 2017-18, the Company recognised a provision for income tax for the six months ended 30th September 2019 and re-measured its deferred tax at the applicable rate of 25% plus applicable surcharge and health and education cess thereon as enacted in the Union Budget 2019 which was presented on 5th July, 2019. The full impact of this change was recognised in the Unaudited Financial Results for the quarter ended 30th September 2019. Provision for income tax for the year ended 31st March 2020 and measurement of deferred tax liabilities has accordingly been done considering the reduced rate in accordance with this enactment.
- 6. Figures for the 3 months ended 31st March, 2020 and 31st March, 2019 are the balancing figures between audited figures in respect of the full financial year ended 31st March, 2020 and 31st March, 2019 and the unaudited published figures for the 9 months ended 31st December, 2019 and 31st December, 2019 and 31st December, 2018 respectively, which were subjected to limited review.
- 7. Figures have been regrouped and/or rearranged, wherever necessary.
- B. Renovation of 52 rooms at Trident, Udaipur which commenced on 1st April, 2019 was completed on 1st September, 2019. Renovation of the remaining 23 rooms commenced on 1st September, 2019 and has been completed on 5th January, 2020, thereby completing the renovation of all rooms.
- 9. The World Health Organization declared the Covid-19 outbreak as a pandemic on 11th March 2020, leading to series of measures by different countries across the world to contain the spread of the virus. India responded by imposing a lockdown from 24th March 2020. For most of this period, hotel and flight operations were mandated to remain non-operational, which affected business at the Company's hotels across India. The Management's priority in dealing with the exceptional challenges posed by COVID-19 is to ensure the safety of its guests and employees, support suppliers and keep the supply chain operational for essential supplies.

The consequences of the COVID-19 outbreak on the Company's business for the financial year ended 31st March, 2020 have been limited, as business was impacted only in the latter half of the month of March 2020. Several cost rationalization measures have been initiated subsequent to the year end and are being monitored.

The Management does not foresee any stress on liquidity owing to the availability of liquid funds in the form of cash and cash equivalents, other bank balances (other than earmarked accounts) and investments in mutual funds amounting to Rs. 9,025.93 lakhs as on 31st March, 2020.

The Management has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, inventory, receivables, other current and non-current assets as on 31st March, 2020. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Management has considered the impact from a prolonged lock-down situation; travel restrictions being continued to be imposed by India and other countries even after lifting of the lockdown, guests postponing their discretionary spending, internal and external information available up to the date of approval of these financial statements including credit reports and economic forecasts although a clearer picture shall emerge only in due course. The Management has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the Management expects to recover the carrying amount of its assets as on 31st March, 2020. The impact of COVID-19 may be different from that estimated on the date of approval of these financial statements will continue to closely monitor any material changes to future economic conditions.

Based on enquiries received, assessments performed and analysis of market trends, the Management expects demand to gradually resume for domestic leisure and business travel, social events within prescribed norms, and limited international travel once international airlines are allowed to commence operations.

The revised projections have been prepared taking into account best estimates based on these factors and other variables, although a clearer picture shall emerge only in due course.

10. The above financial results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its Meeting held on 23rd June, 2020.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Annual Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

  related to events or conditions that may cast significant doubt on the ability of the Company to
  continue as a going concern. If we conclude that a material uncertainty exists, we are required to
  draw attention in our auditor's report to the related disclosures in the Statement or, if such
  disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence
  obtained up to the date of our auditor's report. However, future events or conditions may cause

- Obtain sufficient appropriate audit evidence regarding the Annual Financial Results of the Company to express an opinion on the Annual Financial Results.

Materiality is the magnitude of misstatements in the Annual Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### (b) Review of the Financial Results for the quarter ended March 31, 2020

We conducted our review of the Financial Results for the quarter ended March 31, 2020 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Other Matters

• As stated in Note 6 of the Statement, the figures for the corresponding quarter ended March 31, 2019 are the balancing figures between the annual audited figures for the year then ended and the year to date figures for the 9 months period ended December 31, 2018. We have not issued a separate limited review report on the results and figures for the quarter ended March 31, 2019. Our report on the Statement is not modified in respect of this matter.

• The Statement includes the results for the Quarter ended March 31, 2020 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.
