SCR Surpasses its Highest Freight Loading Performance

South Central Railway has registered yet another milestone in its freight traffic business, surpassing the earlier best ever annual performance, by crossing the same in the current fiscal 2018-19 (well before the end of the financial year). The Zone has recorded the highest ever freight loading of 117.16 Million Tonnes (MTs), touching the mark, 18th March, 2019. This feat was achieved in comparison to the earlier top most freight loading performance of SCR in the financial year 2014-15 when the Zone had transported 116.80 MTs of Goods. N. Madhusudana Rao, Principal Chief Operations Manager, SCR envisaged an intensive action plan with a system in place to analyze the requirements of freight customers on a every day basis and positively respond to the same. Gajanan Mallaya, General Manager, South Central Railway reviewed the highest ever Freight performance of the Zone and took stock of the result yielding marketing plan of the Operating Department B. Gopinath Mallaya, Chief Electrical Locomotive Engineer; B. Nagya, Chief Freight Transportation Manager and P. Ravi Kumar, Chief Motive Power Engineer (Diesel) were amongst those who called on the General Manager along with N. Madhusudana Rao, Principal Chief Operations Manager, SCR to apprise him on the record performance.
